ABOUT THE PROGRAM: *Creative Candle Making is a part of the BARC Arts Program, which is a year-round arts program that explores various aspects of the arts in 4 to 5 week segments. This program will be exploring visual art, music, dance & theater. Sessions will be offered to a variety of age groups and locations depending on the modality being explored.*

In this session, students will work at The Candle Collective, a local Ballston Spa business, to create and build their very own candles each week. There will be a different theme each week. The students will learn about the candle creating process. This is a very unique and special class that will truly inspire students' imagination. Classes will start on Wednesday, 11/7/18 and will be held at The Candle Collective. They will recur on the following dates: 11/14/18, 11/28/18, and 12/5/18, all from 6 pm to 7:30 pm.

COST: \$40.00 per student.

This is the cost for residents of the Towns of Milton, Malta, or Ballston, and the Village of Ballston Spa- who also reside in the Ballston Spa School District. If you do not reside in the Ballston Spa school district, there is an added fee of \$25.00.
