

## Join us for a run down the trail to prevention!

The trail to prevention will take us down a path not traveled in seasons past.

We apologize that school and community group programs, and the discounts they previously included, will not be offered this year as our lesson programs will run at 50% capacity.

## You still have an option!

Willard encourages its previous program participants to consider signing up for our Superpass (ages 8 through adult) Ski and Snowboard Program.

This is the next most economical way to continue to improve your ski and snowboarding skills, reserve your favorite ski time, and have your rental equipment ready upon your arrival.

*Remember, your Superpass converts to a season pass on March 1st, allowing you to ski at Willard any time the mountain is open!*

Forms are available on our website, [www.willardmountain.com](http://www.willardmountain.com)

Click "Forms" at the top of the homepage, then scroll down to "Superpass Program". Click on the "Registration Form" link and simply download your form.

You can mail or email your completed form to us and we will call for payment. Call us at (518) 692-7337 with questions or your need for assistance.
