

# BARC Youth Theatre Company

## THE SUPPORTING CAST

There are over 45 kids from the Ballston Spa School District participating in the BARC Youth Theatre Company production of The Lion King Jr. They've been rehearsing since May and the energy and excitement of the group is amazing! Songs have been learned, lines memorized, costumes are being fitted and sewn, and sets are under construction. We're now asking community members to help make this show an outstanding event by making a donation in whatever amount is affordable. Donations will go directly to the costs of this production, including costume materials, lumber and paint for sets, and printing costs for the program and tickets.

Thank you for your donation to the SUPPORTING CAST and for helping to ensure a continuing summer theater program in the Ballston Spa community.

**Checks should be made payable to: BARC**

**Please return to Melissa Glastetter by July 2 (No Cash)**
