

SYNOPSIS

James Lapine and Stephen Sondheim take everyone's favorite storybook characters and bring them together for a timeless, yet relevant, piece... and a rare modern classic. The Tony Award-winning book and score are both enchanting and touching.

The story follows a Baker and his wife, who wish to have a child but cannot conceive; Cinderella, who dreams of attending the King's Ball and someday being free of her cruel step-mother and step-sisters; and Jack, who wishes his cow would once again give milk so he doesn't have to sell her. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse.

When all their tales, and the tales of other fairy tale creatures, lead to the woods and become intertwined, dreams come true and wishes are granted. Their happiness has consequences though, and the characters are forced to band together to save their world from destruction.
